

Want to help your community during the COVID-19 situation?

Your communities are strong and resilient. There are simple things you can do to help them continue to thrive!

1. Check-in on vulnerable family, friends and neighbours.

Just helping them with their shopping and checking they have everything they need can make a huge difference. Know someone self-isolating? Call or text them to check that they're ok.

2. Volunteer with a local charity.

Wokingham Borough Council is working with local charities to provide community support during this difficult time.

To volunteer, visit the Wokingham Volunteer Centre website at www.volunteerwokinghamborough.org.uk or by calling 0118 977 0749

Do you need support?

If you are in need of help or support, reach out to your community. You are not alone!

1. Call on your family, friends, neighbours or those you trust.

Our communities are showing solidarity and community spirit during this difficult time. Most of us will have family, friends or trusted neighbours who can help. Just reach out!

2. Call on your local charity.

If you are already in contact with a local charity, call them.

3. Call on your community & voluntary sector.

Wokingham Borough Council is working with local charities to provide a community response for those who don't have support and need advice or practical help. This is not an alternative to the NHS or social services. It is local residents looking after each other.

The Citizen's Advice Bureau is coordinating local charities. Call them on **0300 330 1189** (if prompted enter 0118 978 7258) or contact them via admin@citizensadvicewokingham.org.uk
